**-You do not have to have a Microsoft Teams Account to join. You can use the web based version without any downloads or account creation. Select 'join on the web instead'**

If your device does not have the required audio compatibility, you can still access the Screenshare of the meeting by following the above steps for the hyperlink and access the audio by calling the Conference Bridge Lines below. If you need to call in via your phone for audio *and* your computer for the screenshare, please turn the volume 'down/off' on your computer to avoid the risk of audio feedback. Please be mindful of only 'un-muting' on your phone (or computer) when speaking.
